Mark James DeHaven, Ph.D.

University of North Carolina - Charlotte
College of Health and Human Services
9201 University City Boulevard
Charlotte, NC 28223-0001
(704) 687-8099
Mark.DeHaven@UNCC.edu

Current: March 16, 2017

CURRENT APPOINTMENT

Professor (Tenured), Dean W. Colvard Distinguished Professor (Endowed), Professor, Public Health Sciences (Academic), Director, Academy for Research on Community Health, Engagement and Services (ARCHES), University of North Carolina at Charlotte, North Carolina.

EDUCATION

1988 Ph.D. University of Florida, Gainesville, Florida, Areas of Specialization: Comparative Systems; Behavioral Research and Methodology, International Behavior.

1985 M.A. University of Florida, Gainesville, Florida, International Relations

1976 B.A. Marietta College, Marietta, Ohio, Social Sciences

OTHER TRAINING

1985 Fellowship, Florida Consortium for Political and Social Research (FCPSR). Award to study research methodology at the University of Michigan, Ann Arbor, Institute for Social Research (ISR), Inter-University Consortium for Political and Social Research (ICPSR) program on quantitative research methods.

EMPLOYMENT HISTORY

2013 – Present Dean W. Colvard Distinguished Professor (Endowed), Professor of Public Health Sciences (Academic); College of Health and Human Services, University of North Carolina Charlotte. Director, Academy for Research on Community Health, Engagement, and Services (ARCHES). Develop and lead college-wide initiatives related to community-engaged and clinical translational research, in the context of especially community-based participatory research initiatives.

2010 – 2013 Health Institutes of Texas Professor (Honorary), Professor of Behavioral and Community Health (Primary), and Professor of Family Medicine (Secondary); Founding Executive Director, Texas Prevention Institute (TPI), University of North Texas Health Science Center, Fort Worth. Develop and expand UNTHSC expertise in community and clinical translational research as founding director of the Texas Prevention Institute.

2010 – 2013 Adjunct Professor of Clinical Sciences and Chief, Division of Community Health Sciences. Director, Community Engagement Key Function, Clinical and Translational Sciences Initiative. Department of Clinical Sciences, UT Southwestern Medical Center at Dallas, Dallas, Texas.

2007 - 2010 Professor and Chief, Division of Community Health Sciences, Department of Clinical Sciences (Primary Appointment), University of Texas Southwestern Medical Center at Dallas, Dallas, Texas. Develop and direct community engagement key function of the

- 1998 - 2007 Clinical and Translational Sciences Award (CTSA). Professor, Department of Family and Community Medicine (Secondary Appointment). Associate Professor and Vice Chair; Founding Chief, Division of Community Medicine (1998 – 2007), Department of Family and Community Medicine, University of Texas Southwestern Medical Center at Dallas, Dallas, Texas. Develop and direct the research capacity and community medicine components of an academic department of family medicine; Founding Director (2001 – 2008) Community Medicine Fellowship Program (CHFP) and Founding Director (2005 – 2008) Community Action Research Track (C.A.R.T.).
- 1997-1998 Associate Professor and Chief, Division of Community Health, Director of Research. After being awarded tenure and promoted to associate professor, established a new division to improve patient care through a Community Oriented Primary Care (COPC) model, while remaining Director of Research.
- 1992 -1997 Assistant Professor, Director of Research, Department of Community Health and Family Medicine, University of Florida, Jacksonville, Florida. Develop funded program of clinical and community-based research and education, and mentor faculty, residents, and medical students in clinical and community research.
- 1991 -1992 Research Director, Department of Community Health and Family Medicine, University of Florida Jacksonville, Florida. Coordinate and direct research activities; instruct faculty and residents in research methods and methodology.
- 1989 - 1991 Assistant Professor, Clemson University, Clemson, South Carolina. Develop curriculum in research design and methodology; conduct research on public attitudes toward social issues related to equality.
- 1988 - 1989 Social Science Statistical Analyst, Department of Educational Accountability, Montgomery County Public Schools, Rockville, Maryland. Postdoctoral research examining social integration in nationally recognized Magnet School Programs.

GRANT AWARDS - Received

- 2013 Centers for Medicare & Medicaid Services, Delivery System Reform Incentive Payment Program (DSRIP 1115) – Program for testing Health Navigation Incentives for Dual Diagnosis Patients.
Grant Period: 2013-2016
Principal Investigator: Scott Walters
Award Amount: \$2,600,000
Role: Co-Investigator
- 2012 National Institute for Minority Health and Health Disparities (NIMHD) – an Exploratory Center of Excellence Award (P20) for establishing the Texas Center for Minority Health, Education, Research and Outreach, as a component of the Texas Prevention Institute.
Grant Period: 2012-2017
Award Amount: \$4,750,000
Role: Co-Principal Investigator and Director of Research
- 2012 National Institute for Minority Health and Health Disparities (NIMHD). Reducing Obesity in African American Women through Lifestyle Enhancement
Grant Period: 2012-2016
Award Amount: \$973,000
Role: Principal Investigator
- 2012 National Institute of Child Health and Human Development (NICHD). Evaluating a Community-Engaged Program to Reduce Obesity in Hispanic Families

Grant Period: 2012-2015
Principal Investigator: Heather Kitzman-Ulrich
Award Amount: \$225,000
Role: Co-Investigator (Mentor)

- 2011 National Natural and Science Foundation of China (NSCF) – Understanding the role of Vitamin B1, vascular complications, and community-based prevention strategies in patients with diabetes. Collaborative (ongoing) project undertaken with Department of Endocrinology, Harbin Medical University 4th Affiliated Hospital, Harbin, China (population – 10,000,000).
Grant Number: 81072392
Grant Period: 2011-2013
Award Amount: ¥300,000
Role: Co-Investigator
- 2010 National Institute of Child and Human Development (NICHD) – Clinical trial testing the effectiveness of community peer mentors on increasing the enrollment of eligible children in health insurance programs.
Principal Investigator: Glenn Flores
Grant Period: 2010-2014
Award Amount: \$2,391,164
Role: Co-Investigator
- 2010 Trammell S. Crow Foundation – Dallas, Texas – community-capacity building project – The “Healthy Harvest” Community Gardening Project – for developing and evaluating the feasibility of a community gardening approach to improving access to fresh produce and reducing the risk of cardiovascular disease in African-American faith communities.
Grant Period: 2010-2011
Award Amount: \$50,000 (Foundation also provided \$180,000 gardening start-up funding)
Role: Principal Investigator
- 2010 Central Texas Conference of the United Methodist Church – Fort Worth, Texas – pilot project among eight (8) congregations, testing the effectiveness of the GoodNEWS (Genes, Nutrition, Exercise, Wellness and Spiritual Growth) wellbeing curriculum and program, on improving health outcomes among GoodNEWS Lay Health Promoters (LHPs) and congregations.
Grant Period: 2010-2013
Award Amount: \$12,000
Role: Principal Investigator
- 2009 National Health Lung and Blood Institute (NHLBI) – Clinical trial testing the effectiveness of a faith-based collaborative health program (The GoodNEWS – Genes, Nutrition, Exercise, Wellness and Spiritual Growth – Trial) on reducing risk factors for cardiovascular disease in African-American congregations. Research supplement to promote diversity in health-related research.
Grant Number: 3R01 HL087768-03S1
Grant Period: 2009-2010
Award Amount: \$46,783
Role: Principal Investigator
- 2007 National Health Lung and Blood Institute (NHLBI) – Clinical trial testing the effectiveness of a faith-based collaborative health program (The GoodNEWS – Genes, Nutrition, Exercise, Wellness and Spiritual Growth – Trial) on reducing risk factors for cardiovascular disease in African American congregations.
Grant Number: R01 HL087768
Grant Period: 2007-2012
Award Amount: \$1,903,932
Role: Principal Investigator

- 2007 Clinical and Translational Sciences Award (CTSA), National Center for Research Resources (NCRR), National Institutes of Health (NIH) – Capacity-building project developing the North and Central Texas Clinical and Translational Science Initiative (NCTCTSI) for translating research into practice.
Grant Number: U54 RR023468-01A1
Grant Period: 2007–2012
Principal Investigator: Milton Packer
Award Amount: \$22,244,468
Role: Co-Investigator and Key Function Director, Community Engagement (CE)
- 2007 National Cancer Institute (NCI) – Determine the extent to which the Cancer Risk Intake System (CRIS) facilitates patient receipt of risk-appropriate colorectal cancer testing recommendations from their physicians and patients' participation in risk-appropriate colorectal cancer testing.
Grant Number: RO1 CA122330-01A1
Grant Period: 2007-2012
Principal Investigator: Celette Skinner
Award Amount: \$1,064,707
Role: Co-Investigator
- 2005 Central Texas Conference of the United Methodist Church – Implement and test a community-based lifestyle enhancement program to reduce chronic disease among the underserved.
Grant Period: 2005-2006
Award amount: \$40,000
Role: Principal Investigator
- 2005 Harris Methodist Health Foundation, Fort Worth, Texas – Implement a community-based lifestyle enhancement program to reduce chronic disease prevalence among the underserved.
Grant Period: 2005-2006
Award amount: \$30,390 (Includes \$12,500 match from Harris Methodist Hospital)
Role: Principal Investigator
- 2005 Predoctoral Training in Primary Care Grant Program, U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA) – Develop and evaluate a comprehensive community action research track (CART) for medical students, integrating applied participatory research training with community health improvement. Grant Number: D56 HP05220
Grant Period: 2005-2008
Award amount: \$497,776
Role: Project Director
- 2005 BlueCross and BlueShield of Texas – Conduct a pilot study identifying perceptions and behaviors related to childhood obesity among students, caregivers, and teachers in the Dallas Independent School District.
Grant Period: 2005-2006
Award amount: \$15,000
Role: Principal Investigator
- 2004 Hoblitzelle Foundation – Unrestricted funding in support of my community-based research projects in underserved areas throughout Dallas, Texas (award presented to me in honor of Mr. Don Williams, Chairman Emeritus, Trammell Crowe Company).
Award amount: \$50,000
Grant Period: 2004-2006
Role: Principal Investigator
- 2002 Centers for Disease Control and Prevention (CDC) – Community-based participatory prevention research project to evaluate the effectiveness of a care delivery system (Project Access Dallas) for the working poor.

- Grant Number: R06 CCR621627
Grant Period: 2002-2005
Award amount: \$1,134,326
Role: Principal Investigator
- 2002 Exxon-Mobil Foundation -- Community-based participatory research project (Community Leadership in Preventing (CLIP) Asthma) utilizing a faith-health collaboration to improve control of asthma in the inner city
Grant Period: 2002-2004
Principal Investigator: Rebecca Gruchalla
Award amount: \$508,778
Role: Co-Investigator
- 2002 Dallas Academy of Medicine – Director of Research and Chair, Outcomes Work Group, for a project (Project Access) providing access to health care for the working poor.
Grant Period: 2002-2003
Award amount: \$30,000
Role: Principal Investigator
- 2001 Dallas Academy of Medicine – Developing a research outcomes capacity for a one-year pilot project (Project Access) to care for the working poor through faith-health partnerships.
Grant Period: 2001-2002
Award amount: \$20,000
Role: Principal Investigator
- 2001 Predoctoral Training in Primary Care Grant Program, U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA) – Developing an applied community-oriented research training experience for medical students.
Grant Number: 5 D16 HP00109
Grant Period: 2001-2004
Award amount: \$193,800
Role: Project Director
- 2000 American Association of Diabetes Educators, Roche Diagnostics Diabetes Education Research Grant – Improving adherence to diabetes care recommendations through empowering patients and educating providers.
Grant Period: 2000-2001
Principal Investigator: Joann Felmly
Award amount: \$10,000
Role: Co-Investigator
- 1997 University of Florida Dean's Award – received one of three competitive unrestricted awards presented to faculty members of the College of Medicine, Jacksonville who excelled in innovative education and research.
Grant Period: 1997-1998
Award amount: \$3,000
Role: Principal Investigator
- 1997 University of Florida Health Science Center-Jacksonville, Dean's Award. Health Improvement and Cost Limitation Among Patients Receiving Free Health Care: A Multiple Stage Investigation.
Grant Period: 1997-1998
Award amount: \$5,000
Role: Principal Investigator
- 1997 Grants for Graduate Training in Family Medicine, U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA) for designing and evaluating curriculum in community medicine and research, outpatient geriatrics care, managed care, and informatics.
Grant Period: 1997-2000

- Project Director: George Wilson
Award amount: \$325,000
Role: Project Developer and Program Director (Community Medicine and Research Components)
- 1997 American Cancer Society, Prostate Early Education and Recognition (P.E.E.R.) – providing outreach and education in African-American neighborhoods as part of American Cancer Society cancer prevention program initiative.
Grant Period: 1997-1998
Award amount: \$1,500
Role: Principal Investigator
- 1996 American Cancer Society, Prostate Early Education and Recognition (P.E.E.R.) – providing outreach and education in African-American neighborhoods as part of American Cancer Society cancer prevention program initiatives.
Grant Period: 1996-1997
Award amount: \$4,100
Role: Principal Investigator
- 1995 American Academy of Family Physicians (AAFP), Building Capacity in Community Based Research for conducting a national study evaluating the level of research activity in family medicine residency programs for improving research capacity.
Grant Period: 1995-1996
Award Amount: \$14,945
Role: Principal Investigator
- 1994 Grants for Graduate Training in Family Medicine, U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA) – developing and evaluating a resident training program in outpatient geriatrics and patient education.
Grant Period: 1994-1997
Project Director: George Wilson
Award amount \$209,500
Role: Program Developer
- 1993 University of Florida Division of Sponsored Research, New Faculty Award – investigating barriers to health promotion and disease prevention among a high-risk and low-income patient population.
Grant Period: 1993-1994
Award amount \$9,143
Role: Principal Investigator
- 1993 University of Florida Health Science Center-Jacksonville, Dean's Award – studying the relationship between patients' health promotion behaviors and perceptions of crime.
Grant Period: 1993-1994
Award amount: \$5,000
Role: Principal Investigator
- 1992 American Academy of Family Physicians Foundation (AAFP) – studying physician compliance with the National Cholesterol Education Program (NCEP) guidelines for cholesterol screening in the primary care environment.
Grant Period: 1992-1993
Award amount: \$17,025
Role: Co-Principal Investigator (with Mary K. Robinson)
- 1990 Innovation Funds Awards Committee Grant, Clemson University – conducting a statewide public opinion poll as a prototype for a permanent survey research center.
Grant Period: 1990-1991
Award amount: \$5,200
Role: Co-Principal Investigator (with David Woodward)

Reducing Emergency Department Utilization and Costs among the Uninsured: The Effects of Project Access Dallas (PAD). North American Primary Care Research Group (NAPCRG) 35th Annual Meeting, Vancouver, BC; October 20 - 23, 2007.
- 2006 Gimpel N, **DeHaven MJ**, Carson J, Cunningham C, Smith C, Lee M, Luttrell, R, Richards D. Childhood Obesity: Perceptions and Behaviors of Students, Caregivers and Teachers. Presentation to the American Public Health Association 134th Annual Meeting, November 7, 2006, Boston, Massachusetts.
- 2005 **DeHaven MJ**, Lee JJ, and Newton JR. GoodNEWS 2005: Improving life and health outcomes among inner-city neighbors. Presentation to the 133rd Annual Meeting of the American Public Health Association (APHA), Philadelphia, PA, December 10 – 14, 2005.
- 2005 **DeHaven MJ** and Temte JL. Just Do(ing) It! Residency-Based Research and Scholarly Activity. Workshop presented at the North American Primary Care Research Group (NAPCRG) 33rd Annual Meeting, Montreal, Canada, October 16, 2005.
- 2005 **DeHaven MJ** and Chen LL. Teaching Medical Students Research While Improving Health in Underserved Communities. Presentation to the STFM 31st Annual Predoctoral Education Conference, Albuquerque, New Mexico; January 28, 2005.
- 2004 **DeHaven MJ**, Lee JJ and Newton JR. Understanding the Effects of a Collaborative Community-Based Lifestyle Enhancement Program: Project GoodNEWS. Presentation to the 132nd Annual Meeting of the American Public Health Association (APHA), Washington, DC, November 6-10, 2004.

- 2004 **DeHaven MJ**, Roth L and Neale V. What Do Successful Practice-Based Researchers Recommend to Build Practice-Based Research Networks? Presentation to the North American Primary Care Research Group (NAPCRG) 32nd Annual Meeting, Orlando, Florida; October 10, 2004.
- 2004 **DeHaven MJ** and Temte JL. Just Do(ing) It! Residency-Based Research and Scholarly Activity. Workshop presented at the North American Primary Care Research Group (NAPCRG) 32nd Annual Meeting, Orlando, Florida; October 10, 2004.
- 2003 **DeHaven MJ**, Ferguson K, Gimpel N and Walton JW. Recognizing the true value to community health of care delivered through Faith-Based Organizations (FBO). Presentation at the 131st Annual Meeting of the American Public Health Association (APHA), San Francisco, November 15-19, 2003.
- 2003 Biggs M, Lee S, and **DeHaven MJ**. Project Access: training community health workers to screen for depression in the uninsured and to provide access to mental healthcare services. Presentation at the 131st Annual Meeting of the American Public Health Association (APHA), San Francisco, November 15-19, 2003.
- 2003 **DeHaven MJ**, Walton JW and Edwards C. Social Return on Investment (SROI): Capturing and monetizing the positive externalities generated by increased access to health care. Presentation at 131st Annual Meeting of American Public Health Association (APHA), San Francisco, November 15-19, 2003.
- 2003 **DeHaven MJ** and Temte JL. Just Do(ing) It! Improving Residency-Based Research and Scholarly Activity. Preconference workshop presented to North American Primary Care Research Group (NAPCRG) Annual Meeting, October 25, 2003, Banff Springs, Alberta, Canada.
- 2003 Berry J, **DeHaven MJ** and Walton JW. The Role of Faith Based Organizations In Improving Health Outcomes: A Practical Approach to Community Renewal. Research paper presented at the Second Triennial Conference on Formation and Renewal. The Notre Dame Center for Ethics and Culture, October 2 – 4, South Bend, Indiana.
- 2002 **DeHaven MJ**. You Can Do Research In Family Practice: Design and Analysis for the Beginning Researcher. American Association of Family Physicians (AAFP) Annual Scientific Assembly, September 30 – October 4, New Orleans, Louisiana.
- 2002 **DeHaven MJ** and Temte JL. Just Do(ing) It! Improving Residency-based Research and Scholarly Activity. North American Primary Care Research Group (NAPCRG) 30th Annual Meeting, November 16 - 19, New Orleans, Louisiana.
- 2002 **DeHaven MJ** and Lee JJ. What we know about the healing effects of faith-based health programs and what it means. Roundtable Discussion, presented at the American Public Health Association 130th Annual Meeting, November 9 - 13, Philadelphia, Pennsylvania.
- 2002 **DeHaven MJ**, Walton JW, Barker G and Chen L. The "Non-System" System of Care: Testing the Great FBO Hypothesis (Faith-Based Organization). Research paper presented at the American Public Health Association 130th Annual Meeting, November 9 - 13, Philadelphia, Pennsylvania.
- 2001 **DeHaven MJ**, Hunter I, and Wilder L. Health Partnerships in Congregations: Are they a remedy for the underserved? 129th American Public Health Association (APHA) Annual Meeting and Exposition, October 21-25, Atlanta, Georgia.
- 2001 **DeHaven MJ** and Temte JL Just Do(ing) It! Improving Residency-based Research and Scholarly Activity. Invited Workshop, North American Primary Care Research Group

(NAPCRG) 29th Annual Meeting, October 13 – 16, Halifax, Nova Scotia.

- 2001 **DeHaven MJ** and Temte JL Just Do It! (Version 2.0): A Networked Research Experience. Workshops presented at the 2001 Annual Workshop for Directors of Family Practice Residencies. Sponsored by the American Academy of Family Physicians and the Association of Family Practice Residency Directors, June 5 – 8. Kansas City, Missouri.
- 2000 Wall CR, **DeHaven MJ** and Oeffinger KO. The Good, The Bad, and The Ugly: Experiences in Survey Research. Presented at the 28th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 4-7, 2000, Amelia Island, Fl.
- 2000 **DeHaven MJ** and Temte JL Activities in Residency-Based Research in Family Practice. Presented at the 28th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 4-7, 2000, Amelia Island, Fl.
- 2000 **DeHaven MJ** and Temte JL. Just Do It!: A Networked Research Experience. Invited workshops presented at the 2000 Annual Workshop for Directors of Family Practice Residencies. Sponsored by the American Academy of Family Physicians and the Association of Family Practice Residency Directors, June 4 - 6, 2000 Kansas City, Missouri.
- 2000 Wall CR, **DeHaven MJ** and Oeffinger KO. The Good, The Bad, and The Ugly: Experiences in Survey Research. Presented at the 33rd STFM Annual Spring Conference (STFM), May 4 - 7, 2000, Orlando, Florida.
- 1999 **DeHaven MJ** and Temte JL. Developing a Residency Research Curriculum to Utilize Research Networks. Paper presented at the 27th Annual meeting of the North American Primary Care Research Group, November 7 - 10, 1999, San Diego, California.
- 1999 Oeffinger K, **DeHaven MJ** and Snell L. Cohort Studies: It's About Time. Paper presented at the 27th Annual meeting of the North American Primary Care Research Group (NAPCRG), November 7 - 10, 1999, San Diego, California.
- 1999 McCluggage C, **DeHaven MJ**, Schneider G and Felmly J. A Program for Translating Wellness Into Practice. Lecture-Discussion presented at the 21st Annual Conference on Patient Education, November 11-14, 1999, Austin, Texas. Sponsored by American Academy of Family Physicians (AAFP) and the Society of Teachers of Family Medicine (STFM).
- 1999 **DeHaven MJ** and Temte JL. Essentials of Resident Research: From Alpha to Omega. Workshops presented at the 1999 Annual Workshop for Directors of Family Practice Residencies. Sponsored by the American Academy of Family Physicians and the Association of Family Practice Residency Directors, June 13 - 15, 1999 Kansas City, Missouri.
- 1999 **DeHaven MJ**, Gregg A and Meires J. Understanding the No-Show Behavior of Low-Income and Indigent Patients. Presented at the 32nd STFM Annual Spring Conference, April 28 - May 2, 1999, Seattle, Washington.
- 1998 **DeHaven MJ** and Temte JL. Residents, Research, and Reality. Invited workshops presented as part of the 1998 Annual Workshop for Directors of Family Practice Residencies. Sponsored by the American Academy of Family Physicians and the Association of Family Practice Residency Directors, June 6-9, 1998 Kansas City, Missouri.
- 1998 **DeHaven MJ**, Gregg A and Meires J. Understanding the Health-Related Behaviors of Low-Income and Indigent Patients. Presented at the 31st STFM Annual Spring Conference, April 22-26, Chicago, Illinois.

- 1997 **DeHaven MJ**, Gregg A and Meires J. Adherence among Inner-city Indigent Patients. Presented at the 25th Anniversary Annual Meeting of the North American Primary Care Research Group, November 12-15, 1997, Orlando, Florida.
- 1997 **DeHaven MJ** and Temte JL. Resident Research: Is this still an oxymoron? Workshops presented as part of the 1997 Annual Workshop for Directors of Family Practice Residencies. Sponsored by the American Academy of Family Physicians and the Association of Family Practice Residency Directors, June 8-10, 1997 Kansas City, Missouri.
- 1997 **DeHaven MJ** and Hueston WF. Future Directions in Family Medicine Research. Co-organized a Theme Day consisting of three sessions: Establishing a Successful Research Environment, Examples of Exemplary Residency Programs, and Future Directions, Opportunities, and Threats. Presented at the 30th Society of Teachers of Family Medicine Annual Spring Conference, May 3 - 7, 1997, Boston, Massachusetts.
- 1997 **DeHaven, MJ**. What We Can Learn From Residencies That Are Successful At Research. Presented to the 30th Society of Teachers of Family Medicine Annual Spring Conference, May 3 - 7, 1997, Boston, Massachusetts.
- 1996 Ackermann R, **DeHaven MJ**, Hauck F, Mold J, and Temte JL (alphabetical). American Academy of Family Physicians (AAFP) Building Capacity in Community-based Research Grants Project: Presentations by Directors of the Five Funded Projects. 29th STFM Annual Spring Conference, April 21-May 1, 1996, San Francisco, California.
- 1996 **DeHaven MJ**. Understanding the Effects of Fear and Safety on Patients' Health Promoting Behavior. Presented at the 16th Annual Family in Family Medicine Conference, February 28-March 3, 1996, Amelia Island, Florida.
- 1995 **DeHaven MJ**. Patient Satisfaction and Recall of Patient Education. Presented at the 17th Annual Conference on Patient Education, December 10-13, San Antonio, Texas.
- 1994 **DeHaven MJ** and Robinson MK. Managing Hypercholesterolemia: Adhering to the 1987 National Cholesterol Education Program Treatment Guidelines. Presented to the 27th Annual Spring conference of the Society of Teachers of Family Medicine, Atlanta, Georgia, April 30 - May 4, 1994.
- 1993 **DeHaven MJ** and Robinson MK. Institutionalizing a Primary Prevention Strategy: Detecting and Managing Hypercholesterolemia. Fifth Annual Mead-Johnson Family Medicine Research Forum, Ft. Lauderdale, Florida, December 2-5.

KEYNOTE ADDRESSES and INVITED PRESENTATIONS

- 2013 **DeHaven MJ**. Keynote Address to the American Public Health Association Student Assembly, "Findings from the North China Chronic Disease Program for Reducing the Risk of Chronic Disease Among the Chinese Immigrant Population of 250,000,000 People." American Public Health Association 141st Annual Meeting and Expo, Boston, Massachusetts, November 2 – 6, 2013.
- 2012 Lee JJ and **DeHaven MJ**. Promoting Mental Health through a Holistically Healthful Lifestyle Approach in the Congregational Setting: The GoodNEWS (Genes, Nutrition, Exercise, Wellness, and Spiritual Growth) Program. Presented at Spiritual Crossroads: Faith, Mental Health and the African American Community, Southwestern Baptist Theological Seminary Fort Worth, Texas May 14-15, 2012.
- 2010 **DeHaven MJ**. The GoodNEWS in Dallas: Community-Based Participatory Research and Development. Action on Health Disparities: Global and Local Symposium, April 20 – 22,

2010, Dallas, Texas.

- 2010 **DeHaven MJ.** From Genes to Gardens: The GoodNEWS Approach to Preventing Heart Disease. Preventive Cardiology Grand Rounds. UT Southwestern Medical Center, Dallas Texas, April 16, 2010, Dallas Texas.
- 2009 **DeHaven MJ.** "Conducting research with communities: Developing meaningful collaborations for promoting health and preventing disease in vulnerable communities." Keynote Address, John Peter Smith Hospital Research Forum, June 05, 2009, Fort Worth, Texas.
- 2009 **DeHaven, MJ.** "Community-Based Participatory Research (CBPR) and the Social Determinants of Health: Working with communities to prevent disease." Keynote Address, "Building Bridges," Center for the Study of Community Health, UAB School of Public Health, June 11, 2009, Birmingham, Alabama.
- 2009 **DeHaven, MJ.** "The GoodNEWS (Genes, Nutrition, Exercise, Wellness, and Spiritual Growth) Approach to Community Health Improvement: Testing the Lay Health Advisor (LHA) Model." UT Southwestern Obesity Seminar Series, Center for Human Nutrition, March 11, 2009, Dallas, Texas.
- 2009 **DeHaven MJ.** Description and Preliminary Results from the GoodNEWS Trial. Promoting health in Underserved Populations: Health Disparities, from Local to Global (Sponsored by the Center for Health Promotion and Disease Prevention Research in Underserved Populations), February 18, 2009, Austin, Texas.
- 2007 **DeHaven MJ** and Darnell J. Understanding the Role, Value and Effectiveness of the Free Clinic "Non-System" System. Keynote Address, National Summit of the National Association of Free Clinics, September 20 – 22, 2007, Dallas, Texas.
- 2006 **DeHaven MJ.** Understanding the Role of Community Medicine in Community Health Improvement and Medical Education. Third International Course Updating Medical, Surgical, Public Health, and Medical Education, International college of Surgeons, December 7 – 8, 2006, Lima, Peru.
- 2006 **DeHaven MJ.** Understanding the Role of Family Medicine in Community Health Improvement and Medical Education. Ricardo Palma University Medical School. (Special presentation to faculty, business leaders and government officials). December 9, 2006, Lima, Peru.
- 2006 **DeHaven MJ.** The Role of Private Physicians in Clinical Research. "Hear No Evil, See No Evil, Scratch No Evil," February 4, 2006, Dallas, Texas.
- 2004 **DeHaven MJ.** Defining and Understanding the Components of True Community Medicine. Keynote address, Symposium on "Is there a role for medicine in improving life in our neighborhoods and communities?," sponsored by the Department of Family Medicine, Wayne State University School of Medicine, June 2, 2004, Detroit, Michigan.
- 2004 **DeHaven MJ.** Weaving Together Health and Human Services: The Case of Faith and Health Partnerships. Presented to the Dallas County Department of Health and Human Services, May 26, 2004, Dallas Texas.
- 2004 **DeHaven MJ.** Understanding the Need for Faith-Health Partnerships. Conference titled "Joining Forces: Weaving together health, human services and faith communities," sponsored by the Frederick County Health Department, April 30, 2004, Frederick, Maryland.

- 2004 **DeHaven MJ.** Community System Change. National Meeting of the Interfaith Health Program (IHP). February 10 - 12, 2004, Atlanta, Georgia.
- 2004 **DeHaven MJ.** The Faith-Health Model in Medicine. 7th Annual Spirituality and Medicine Seminar Series. Howard University, February 6, 2004, Washington, D.C.
- 2003 **DeHaven MJ.** Impacting the Community: Prevention Research in Action. Simon Doff Visiting Professorship Symposium. October 16 - 17, Jacksonville, Florida.
- 2003 **DeHaven MJ.** Bridging the Gap: Understanding the Role and Value of Faith-Based Organizations in Meeting the Needs of the Mentally Ill. North American Association of Adventist Community Services Annual Convention, September 16 – 20, San Antonio Texas.
- 2001 **DeHaven MJ.** Research in Action: the true family practice ethic. Keynote Address, Arkansas Academy of Family Physicians Annual Meeting, Family Medicine Research Day, July 17, 2002, Little Rock, Arkansas.
- 2002 **DeHaven MJ.** Faith and Wellness in Minority Populations. Facilitator and panel member for the opening panel discussion of the 9th Annual Texas Department of Health Minority Health Conference, November 6 - 8, Irving, Texas.
- 2002 **DeHaven MJ.** The Health Activities of Faith-based Organizations (FBOs). East Texas Minority Health Network Annual Meeting. Tyler, Texas, May 30 – June 1, 2002.
- 2002 **DeHaven MJ.** Research and Ethics: What is “ethical” research in family practice? 2002 C. Frank Webber Lectureship, Interim Session of the Texas Academy of Family Physicians (TAFP), Austin, Texas, March 1, 2002.
- 2002 **DeHaven MJ.** Applying Continuous Quality Improvement (CQI) Techniques in Family Practice. Texas Academy of Family Physicians Annual Session, July 10 – 14, 2002, San Antonio, Texas.
- 2001 **DeHaven MJ.** Meeting the Health-Related Needs of the Uninsured. The University of Texas Southwestern Medical Center at Dallas Community Health Seminar Series, Dallas, Texas, November 19, 2001.
- 2001 **DeHaven MJ** and Rookstool J. Practical Evaluation Workshop. Sponsored by the Health Education Network (HEN) of Dallas, Texas, and presented to health education professionals throughout Dallas County, Dallas County Department of Health and Human Services, August 23, 2001.
- 2001 **DeHaven MJ** and Temte JL. Initial Management of the Febrile Child: Results of a Residency Based Research Network Study. 2001 AAFP National Network for Family Practice and Primary Care Research Convocation of Practices. March 21 – 24. Colorado Springs, CO.
- 2000 **DeHaven MJ.** Research Involvement Among Family Physicians: The New Family Medicine Culture?. Invited presentation, 7th Annual Science of Family Medicine: A Review Course, June 14 - 17, 2000, Dallas Texas.
- 1997 **DeHaven MJ.** Assessment of Geriatric Depression and Functional Status in an Inner-city Primary Care Clinic. Presented at the University of Florida Health Science Center 5th Annual Research Day, May 14th, Jacksonville, Florida.

- 1998 **DeHaven MJ.** Working Group on Residency Research Curricula. Invited participant at the 14th Annual Ambulatory Sentinel Practice Network Convocation of Practices (ASPN), April 1-5, 1998, Cheyenne Mountain Conference Resort, Colorado Springs, Colorado.
- 1998 Vasquez M and **DeHaven MJ.** Knowledge and Referral Patterns of Geriatric Community Agencies among Health Care Providers in a Family Practice Clinic. Presented at the University of Florida Medical Student Research Day, March 27, 1998, Gainesville, Florida.
- 1998 **DeHaven MJ.** Management of Hypertension at a University Family Practice Center and Conformity with Standard Guidelines. Presented at the University of Florida Health Science Center 4th Annual Research Day, June 5, 1998, Jacksonville, Florida.
- 1997 **DeHaven MJ.** Promoting Access to Community-Based Services among the Elderly. Presented at the 2nd Annual Southeastern ElderCare Conference and Exposition, April 6-8, Jacksonville, Florida.
- 1996 **DeHaven MJ.** Improving Care for the Elderly: Promoting Access to Community-Based Services. Presented at the 2nd Annual University of Florida Health Science Center Research Week, October 21-24, 1996, Gainesville, Florida.
- 1996 Gherghina V, **DeHaven MJ,** and Murphree DD. Iron Deficiency Anemia in Children: Updating an Old Problem. Presented at the 2nd Annual University of Florida Health Science Center Research Day, May 30, 1996, Jacksonville, Florida.
- 1996 Tiomico MG, **DeHaven MJ,** and Robinson, MK. Asthma and COPD in a Family Practice Setting. Presented at the 2nd Annual University of Florida Health Science Center Research Day, May 30, 1996, Jacksonville, Florida.
- 1995 **DeHaven MJ** and Robinson MK. Hypercholesterolemia: Evaluating Screening and Treatment among High-Risk Patients. Presented at the First Annual Health Science Center Research Week, Wednesday, October 18, 1995.
- 1995 **DeHaven MJ.** Study Designs, Critical Thought, and Incorporating Research Findings in Practice. Lecture delivered to the Seminar for Clinical Nurse Specialists, University of Florida Health Science Center/Jacksonville, Florida, June 13.
- 1995 **DeHaven MJ** and Robinson MK. The Effects of the 1992 Patient Self-Determination Act on Patient Knowledge and Behavior. Address to the Ethics Conference, University Medical Center, University Health Science Center, Jacksonville, April 12.
- 1995 **DeHaven MJ** and Robinson MK. Examining Patients' Understanding of Self-Determination: Patient Knowledge and Behavior. Poster Presentation, College of Medicine Faculty Research Day, University of Florida, April 21.

TEACHING AND MENTORING

Faculty research mentor

UNC Charlotte
School of Nursing
College of Health and Human Services

Willie Mae Abel, RN, Ph.D.
Recipient of a NHLBI PRIDE/CVD Fellowship

UNC Charlotte
Department of Counseling
College of Education

Daniel Gutierrez, Ph.D., Assistant Professor
Recipient of a Project Mosaic Mentoring Award, 2015-2016

UNC Charlotte
Department of Public Health Sciences
College of Health and Human Services
Academy for Research on Community Health, Engagement, and Services (ARCHES)

Caryn Bell, Ph.D., Research Fello
Recipient of a UNCC Multicultural Postdoctoral Fellowship Award

UNC Charlotte
Department of Psychology
College of Liberal Arts and Sciences

Hannah Windell, Ph.D., Lecturer

UNT Health Science Center
Department of Behavioral and Community Health

Heather Kitzman-Ulrich, Ph.D., Assistant Professor (2010 – Present)

UT Southwestern Medical Center at Dallas
Department of Family and Community Medicine

Hong Xiao, M.D., Associate Professor (2004 – 2007)

Nora Gimpel, M.D., Assistant Professor, Chief, Division of Community Medicine (2002 - Present)

Cristen Wall, M.D., Assistant Professor (2002 – 2005)

Alice Marcee, D.V.M., M.S., Faculty Associate (2001 – 2006)

Gregory Schneider, M.D. Assistant Professor (1998 – 2005)

UT Southwestern Medical Center at Dallas
Department of Clinical Sciences
Clinical Research Scholars (K12)

Kim Perry, DDS. Assistant Professor, Department of Restorative Sciences, Baylor College of Dentistry and 2006 Clinical Research Scholar (2007)

Carlos Timaran, M.D. Assistant Professor, Department of Surgery and 2005 Clinical Research Scholar (2006 – 2008)

Graduate Student Research Mentor

UNC Charlotte
Department of Public Health Sciences

College Health and Human Services

Keri Elliott, CHES, MS
Ph.D. Candidate, Behavioral Health

Undergraduate Student Research Mentor

UNC Charlotte
Levine Scholars Program
College of Health and Human Services

Megan Woody
Recipient of a Levine Scholars Scholarship

Medical and graduate school didactic and small group teaching

Community Health Fellowship Program (CHFP): 2002 – 2007: Created the first community health research training program for medical students in the United States. The program has been funded through the Predoctoral Training in Primary Care Grant Program, U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), (Grant Numbers: D16 HP00109 and D56 HP05220). The CHFP received the 2005 University of Texas System, Innovations in Medical Education Award. From 2002 – 2007, twenty-nine (29) projects were completed supporting the respective missions of the community partners and improved community health outcomes.

2007 Fellows

HyoJin Chong	“Strategies for improving a diabetes prevention program for Hispanic women at a free medical clinic” (<i>Community Partner:</i> North Dallas Shared Ministries Clinic)
Suratha Elango	“Characteristics of childhood obesity education program participants vs non-program participants in the North and West Dallas Clinics” (<i>Community Partner:</i> City of Dallas)
Elizabeth Newsom	“Attitudes, perceived barriers, and preferences in regard to immunization in the Dallas community” (<i>Community Partner:</i> Dallas County Health and Human Services (DCHHS))
Andrea Quintana	“Assessing patient care-seeking behaviors, perceptions, and health awareness at a Dallas free clinic” (<i>Community Partner:</i> North Dallas Shared Ministries Clinic)
Jennifer Werdenberg	“Caregiver asthma education development (CAED) at ChildCareGroup (CCG)” (<i>Community Partner:</i> ChildCareGroup)
Brittany Zwischenberger	“Etiology of uncompleted exercise stress tests that were scheduled following an emergency department visit for chest pain” (<i>Community Partner:</i> Parkland Health and Hospital System COPC Clinics)

2006 Fellows

Rebecca Teng	“Effectiveness of a community intervention program to promote physical activity” (<i>Community Partner:</i> Dallas Concilio of Hispanic Social Services)
--------------	---

- Nehdia Mumuni “Developing a chronic disease education program for children and adults”
(*Community Partner: Mission East Dallas Clinic*)
- Elizabeth Ramirez “Chronic disease treatment compliance and process improvement”
(*Community Partner: Agape Clinic*)
- Sarah Kuykendall “Development of an Integrated Care and Service Delivery Network”
(*Community Partner: Collin County Adult Clinic*)
- Kalpana Manthiram “Evaluation of the clinical effectiveness of shared medical appointments”
(*Community Partner: Parkland’s Community Oriented Primary Care Clinics (COPC)*)
- Virinda Devani “Assessing patients and evaluating an integrated health education project related to chronic disease and mental illness” (*Community Partner: Irving Interfaith Clinic*)

2005 Fellows

- Ramesh Bhagat “Effective diabetes management: Integrating diabetes education and the promotora model” (*Community Partner: Agape Clinic and Collin County Adult Clinic*)
- Cindy Chavez “Supporting healthy development among pediatric patients in the Parkland Community-Oriented Primary Care Clinics (COPC)” (*Community Partner: Parkland Health & Hospital System Community Oriented Primary Care Clinics (COPC)*)
- Jenny Holmes “Considering a health professional shortage area designation (HPSA) for low income children in an affluent area” (*Community Partner: Plano Children’s Medical Clinic*)
- Juan Olivares “Improving training and self-management for low-income patients with diabetes” (*Community Partner: The Dallas Concilio, GRAC and Mission East Dallas*)

2004 Fellows

- Lindsey Keys “What is the self perceived ability of parish nurses in a coordinated parish nursing program to effectively promote health care in a congregational setting?” (*Community Partner: Methodist Health System*)
- Miguel Terrazas “Caring for diabetic patients: What barriers to care do healthcare providers and patients face in a free clinic” (*Community Partner: Agape Clinic*)
- Stephanie Van Rooy “The effectiveness of community-based education programs on stress management and type 2 diabetes control in a Latino population”
(*Community Partner: DeHaro Salvidar Community Oriented Primary Care Health Center*)
- Kimbell Kornu “Integrating preventive health services in non-profit, volunteer community-based clinics” (*Community Partner: Church Health Center*)
- Stephen Elliot “Measuring correlations between social capital and health status: A pilot study” (*Community Partner: Central Dallas Ministries (CDM)*)

2003 Fellows

- Erica Ruger “Can a barbershop-based intervention change the health beliefs and behaviors affecting awareness and control of hypertension in African-American men?” (*Community Partner*: University of Texas Southwestern Community Prevention and Intervention Unit: Division of Hypertension)
- Osamah Saeedi “Assessing disease knowledge in diabetic and hypertensive patients of a primarily South Asian American population” (*Community Partner*: Islamic Association of North Texas Clinic)
- Edward Schiller “Investigating the effectiveness of Parkland’s QuitSmart Smoking Cessation program and factors that influence success” (*Community Partner*: Southeast Dallas Health Center)

Medical student rotations

Community Medicine Elective: Developed and offered a course elective for third and fourth year medical students, addressing service, research and practice in the community medicine context, locally and globally. Special emphasis was placed on participating in service-learning experiences with specific learning objectives. Students completed a written project presented at the *Training Site* and that addressed an identified health need.

Participants and Projects (2003 – 2007):

2006 – 2007

- Mark Dunn “Enhancing care delivery and improving health for Latinos: combining health care delivery with health promotion with community *Promotoras*” (*Training Site*: Agape Clinic, Dallas, Texas)

- Ping Han “Assessing cancer knowledge and risk, and providing cancer education to high-risk mature Chinese woman” (*Training Site*: Chinese Congregations throughout Dallas, Texas)
- Andrea Johnson “Improving pre-natal care among low-income predominantly African-American women using a free service center” (*Training Site*: Family Care Pregnancy Center (FCPC), Oak Cliff, Dallas, Texas)
- Nitin Kapur “Understanding the components and success of the Partners in Health (PIH) program in reducing infectious disease in conditions of poverty” (*Training Site*: Partners in Health (PIH), Cambridge, Massachusetts)
- Jacqueline Morse “Promoting the use of advance directives through a home visit program for aging African-American patients” (*Training Site*: Parkland Health and Hospital System, Home Care Program)
- Chibuikwe Okoro “Understanding the contribution of community health fairs to improved health outcomes in high-risk communities” (*Training Site*: UT Southwestern Medical Center in collaboration with Kwanzaa Fest Health Fair and the Third District Community Health Committee, Dallas, Texas)

2005 – 2006

- Shannon Boustead “Development of a protocol, guidelines, and resources for establishing a free clinic in Texas” (*Training Site*: Multiple free clinics in the Dallas – Fort Worth Metroplex, Texas)
- Erin Buethe “Life, medicine, and poverty in Dominica: understanding the health-related quality of life in the undeveloped islands of the Caribbean” (*Training Site*: Voluntary Clinic and Portsmouth Hospital, Commonwealth of Dominica)
- Carson Higgs “Care delivery and health outcomes among the rural poor in Bangalore, India” (*Training Site*: Asian Christian Academy, Bangalore, India)
- Bradford Hirsh “The face of poverty in India and the implications for the health of the impoverished” (*Training Site*: Himachal Pradesh Region, India through the Himalayan Health Exchange)
- Bryan Navarette “The public health and environmental challenges among residents of Las Colonias beyond the Laredo and Nuevo Laredo city limits” (*Training Site*: Texas and Mexico border and the South Texas Environmental Education and Research (STEER) Center)
- Kimberly Stump “An exploration of the public health services model in the context of urban health” (*Training Site*: Dallas County Department of Health and Human Services)
- Kimberly Stump “Care delivery and health outcomes among the rural poor in Bangalore, India” (*Training Site*: Asian Christian Academy, Bangalore, India)

2004 – 2005

- Kristin Dillard “Insights into the nutritional habits of children” (*Training Site*: Round Rock Independent School District, Round Rock, Texas)

- John Fitzwater "Tenwek hospital and the determinants of health care in Bomet District, Rift Valley Province, Kenya: the first public health revolution" (*Training Site*: Rift Valley Province, Kenya)
- Linda Fraga "Applying the determinants of health model to health outcomes in Ecuador" (*Training Site*: Reproductive Health Program, Quito, Ecuador)
- Nitin Kapur "The determinants of mental health and the population health perspective" (*Training Site*: Centers for Disease Control and Prevention (CDC), Atlanta, Georgia)
- Christie Shen "Care delivery and health improvement in a free and reduced fee clinic" (*Training Site*: Agape Clinic, Dallas, Texas)

2003 – 2004

- Amber Featherstone "Evaluating the effectiveness and translating the lessons of the Oportunidades program to a urban setting in the United States" (*Training Site*: Agape Clinic, Dallas)
- Karen Smith "Understanding the health care seeking behavior and effectiveness of treatment among low income patients" (*Training Site*: North Dallas Shared Ministries, Dallas).
